Environmental Statement

Inline Plastics Corp. is committed to protecting the environment, as well as the health and safety of our employees and the communities in which we operate. We strive to minimize our environmental impact through responsible business practices and a commitment to continual improvement.

Our environmental commitments include:

- Compliance with all applicable environmental laws, regulations, and permits
- Actively seeking opportunities to conserve energy, water, and other natural resources
- Reducing waste generation and supporting recycling initiatives where feasible
- Continually improving our environmental performance and evaluating opportunities to reduce environmental impact
- Encouraging employee awareness, participation, and accountability in environmental initiatives
- Incorporating post-consumer recycled (PCR) content into select products, where applicable
