

RE: Perfluoroalkyl Substances (PFAS)

Dear Customer:

Inline Plastics Corp's. primary sheet suppliers have notified us that they do not intentionally add any food substances or products listed in Regulation EU 1169/2011 including but not limited to Perfluoroalkyl Substances (PFAS).

To the best of our knowledge, these compounds are also not present in our product and do not exceed the reportable threshold of 0.1%.

Regards,
