Letter of Guarantee

Inline Plastics Corp., with its primary place of business at 42 Canal Street E., Shelton, CT. USA 06484, hereinafter referred to as “Seller”, hereby GUARANTEES items purchased:

- a) The raw materials and processes used in the manufacture of product(s) comply with USFDA regulations 21CFR§177.1630 (PET Polyethylene Terephthalate) and 21CFR§175.300 (Coatings, silicone, and anti-fog), covering direct food contact.
- b) All shipments of product(s) made by Seller are hereby guaranteed as of the date of each shipment to be, on such date, not adulterated or misbranded within the meaning of the US Federal Food, Drug, and Cosmetic Act (“the FDCA”), as amended (21 U.S.C. § 301 *et seq.*), or are an article that may, under the provisions of Section(s) 404, 505, or 512 of the Act, be introduced into interstate commerce.
- c) The raw material APET has been evaluated and approved by the CFIA (Canadian Food Inspection Agency.) File/Dossier #I200.

You must make your own determination that your use of product(s) is safe, lawful, and technically suitable in your intended applications.

This guarantee is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous guarantees that might otherwise be effective.

Sincerely,

Jim Parker
Director Corporate Quality, Compliance, and Continuous Improvement
Inline Plastics Corp.
