Absence of Bisphenol A and Bisphenol S Statement

Inline Plastics Corp.'s primary sheet suppliers have notified us that they do not intentionally add or use neither Bisphenol A nor Bisphenol S in their manufacturing process, and do not anticipate it being present in the raw materials that they purchase.

Inline Plastics Corp. does not introduce Bisphenol A or Bisphenol S during the converting process of raw materials to thermoformed containers.

You must make your own determination that your use of the product(s) is safe, lawful, and technically suitable in your intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jim Parker'.
