

RE: Presence of Azodicarbonamide (ADA)

Dear Customer:

Inline Plastics Corp's. primary sheet suppliers have notified us that they do not intentionally add or use Azodicarbonamide (ADA) in their manufacturing process, and do not anticipate it being present in the raw materials that they purchase.

Inline Plastic Corp. does not introduce Azodicarbonamide (ADA) during the converting process of raw materials to thermoformed containers.

Regards,

Ted Bednarsky
