

75%
of hotel guests say availability of food and beverages are reasons for choosing the hotel.

Many hotels are making a big push to accommodate consumers' growing appetite
for healthier, convenient food choices.

These items have **higher value** for consumers than traditional concessions, like candy bars/chips.

Tamper Evident, Tamper Resistant & Leak Resistant Packaging
designed for healthy & convenient food choices

- Increase revenue for hotel operators offering new, fresh eating occasions
- Reduce warehouse space and simplify restocking
- Leak resistant seal extends shelf life – also 100% recyclable!
