HACCP Plan – Hazard Analysis & Critical Control Points

Inline Plastics Corp. has a HACCP Plan that is reviewed at least once per year. The review is done at all **Inline Plastics Corp.** facilities independently and separate from each other. At the time of this letter, the HACCP Plan review is current and up to date for each facility.

Inline Plastics Corp. does all it can within its control to ensure the wholesomeness of the products it produces. From the point of delivery on, it is the customer's job to ensure that all the proper HACCP controls are in place.

You must make your own determination that your use of the product(s) is safe, lawful, and technically suitable in your intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

Jim Parker
Director Corporate Quality, Compliance, and Continuous Improvement
