VERIFICATION OF EXCLUSION - Phthalates

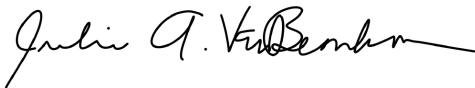

Inline Plastics Corp.'s primary sheet suppliers have provided notification that their material(s) do not contain any food substances or products listed in Regulation EU 1169/2011. It has been confirmed that phthalates are on the exclusion list provided by the suppliers, are not intentionally added to the product and do not exceed the reportable threshold of 0.1%.

Inline Plastics Corp. does not introduce any materials/ingredients during the converting process of raw materials to thermoformed containers.

Customers must make their own determination that the use of the product(s) is safe, lawful, and technically suitable in the intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

Julie VanBennekom
Corporate Quality and Compliance Manager
