VERIFICATION OF EXCLUSION - Phthalates

Inline Plastics Corp. has received written notification from its primary sheet suppliers confirming that the supplied materials do not contain food substances or products listed under Regulation (EU) No. 1169/2011.

Supplier declarations further confirm that phthalates are included on the suppliers' exclusion lists, are not intentionally added to the supplied materials, and do not exceed the applicable reportable threshold of 0.1%.

Inline Plastics Corp. does not intentionally introduce any additional materials or ingredients during the conversion of raw materials into thermoformed containers.

Customers are responsible for determining that the use of the product(s) is safe, lawful, and technically suitable for their intended applications.

This certificate is issued as a continuing statement and shall remain in effect until revoked in writing. This version supersedes all previously issued certificates.

Sincerely,

A handwritten signature in black ink, appearing to read 'Julie A. VanBennekom'.
