## **Absence of Animal Derived Materials**

**Inline Plastics Corp.**'s primary sheet suppliers have notified us that their material(s) do not contain any ingredient with animal origins (including oils, fats and gelatins) nor have they been produced on equipment or stored with any known ADM material.

**Inline Plastics Corp.** does not introduce any animal derived materials/ingredients during the converting process of raw materials to thermoformed containers.

You must make your own determination that your use of the product(s) is safe, lawful, and technically suitable in your intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

A handwritten signature in blue ink, appearing to read 'M. Simmons', with a stylized flourish at the end.
