VERIFICATION OF EXCLUSIONS

Inline Plastics Corp.'s primary sheet suppliers have notified us that their material(s) do not contain any food substances or products listed in Regulation EU 1169/2011. They provide us with a list of exclusions for their product.

Inline Plastics Corp. does not introduce any materials/ingredients during the converting process of raw materials to thermoformed containers.

We attest that any chemicals in question have been verified and found on the list of exclusions provided to us from our vendors and do not exceed the reportable threshold of 0.1%.

You must make your own determination that your use of the product(s) is safe, lawful, and technically suitable in your intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

A handwritten signature in blue ink, appearing to read 'M. Simmons'.
