VERIFICATION OF EXCLUSIONS

Inline Plastics Corp. has received written notification from its primary sheet suppliers confirming that the supplied materials do not contain food substances or products listed under Regulation (EU) No. 1169/2011. Suppliers provide Inline Plastics Corp. with exclusion lists applicable to the supplied materials.

Inline Plastics Corp. does not intentionally introduce any additional materials or ingredients during the conversion of raw materials into thermoformed containers.

Based on supplier declarations, any chemicals of concern have been verified against the suppliers' exclusion lists and are not intentionally added and do not exceed the applicable reportable threshold of 0.1%.

Customers are responsible for determining that the use of the product(s) is safe, lawful, and technically suitable for their intended applications.

This certificate is issued as a continuing statement and shall remain in effect until revoked in writing. This version supersedes all previously issued certificates.

Sincerely,

A handwritten signature in black ink, appearing to read 'Julie A. VanBennekom'.
