Absence of Genetically Modified Organism (GMO)

Inline Plastics Corp.'s primary sheet suppliers have provided notification that their material(s) do not contain any genetically modified organism (GMO)

Inline Plastics Corp. does not introduce GMO during the converting process of raw materials to thermoformed containers.

Customers must make their own determination that the use of the product(s) is safe, lawful, and technically suitable in the intended applications.

This certificate is continuing and shall remain in full force and effect until revoked in writing. This version supersedes all previous certificates that might otherwise be effective.

Sincerely,

A handwritten signature in black ink, appearing to read 'Julie A. VanBennekom'.
