30 December 2025

TSCA Statement

Inline Plastics Corp. hereby certifies that, to the best knowledge of the company and following reasonable inquiry, all products manufactured by Inline Plastics Corp. comply with the U.S. Toxic Substances Control Act (TSCA), as amended, including the TSCA provisions restricting the processing and distribution of persistent, bioaccumulative, and toxic substances (PBTs).

Specifically, and without limitation, Inline Plastics Corp. products do not contain the substances listed in Section 6(h) of the TSCA, including:

- Decabromodiphenyl ether (DecaBDE)
- Phenol, isopropylated phosphate (3:1) (PIP (3:1))
  (commonly used as a plasticizer, flame retardant, anti-wear additive, or in hydraulic fluids, lubricants, coatings, adhesives, sealants, and plastic articles)
- 2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)
- Hexachlorobutadiene (HCBD)
- Pentachlorothiophenol (PCTP)

Customers are responsible for determining that the use of the product(s) is safe, lawful, and technically suitable for their intended applications.

This declaration is issued as a continuing statement and shall remain in effect until revoked in writing. This version supersedes all previously issued certificates.

Sincerely,

Julie A. VanBennekom
Corporate Quality & Compliance Manager
Inline Plastics Corp.
